Terms and conditions of participation

Purpose

This policy document sets out the terms and conditions of participation in the Doncaster All Abilities Basketball Inc (DAAB) competition and statements on privacy and safeguarding children and young people.

Background

Before participating in basketball at DAAB, each member of the DAAB community (which includes players, parents, carers, coaches, officials and others attending DAAB basketball as spectators) must agree to a number of terms and conditions of participation. These are set out below.

Other information concerning privacy and child safety follows.

Terms and conditions

Fees:

- Players are to pay all fees required to participate in the competition as and when they fall due. This includes the player registration fee due before the commencement of each season and game fees due on entry to the stadium each week a player participates.
- Any person who experiences financial difficulty in making payment of any fees can seek an arrangement with the DAAB committee by writing to the Secretary. The DAAB Committee will deal with any such application on its merits.
- Registration fees are valid for the season specified and are not transferable to other seasons, except by arrangement with the DAAB committee.
- Amounts paid are non-refundable, except by arrangement with the DAAB committee where it considers that the circumstances warrant that a full or partial refund is warranted.
- Members of the DAAB community other than players are to pay the relevant spectator fee on entry to Mullum Mullum stadium.

Medical:

- In the event a member of the DAAB community has an accident or suffers injury while attending Mullum Mullum stadium as part of participation in DAAB's activities, each member gives consent for any necessary medical treatment and agrees to meet any expense incurred in having that treatment provided.
- Each member of the DAAB community authorises DAAB and Manningham YMCA, its staff or volunteers to act using their best judgment if and when required in any situation where the member may require medical attention.
- Each member of the DAAB community releases DAAB and/or Manningham YMCA from any and all liability resulting from any injury or illness suffered while attending Mullum Mullum stadium.
- Each member of the DAAB community agrees that, with or without medical advice, they are physically, socially and mentally able to participate in DAAB's activities.
- Where a member of the DAAB community has any impairment that may be affected by their participation in DAAB's activities, they must obtain and supply a medical certificate prior to commencing their participation in the DAAB competition.
- In appropriate instances where the DAAB committee requests, a member must obtain at their own expense, and provide to the DAAB committee, statements(s) from a medical or other associated practitioner in relation to a player's fitness physically and/or mentally to participate in DAAB activities. In such instances and if necessary, the member authorises a member of the DAAB committee to liaise with the practitioner about the player's fitness to participate.

Other matters:

- When a player registers in the DAAB competition, he or she registers with DAAB, not with any particular team. Placement of players in divisions and teams are at the sole discretion of the DAAB committee in accordance with DAAB's Player Placement policy.
- Players and any other accompanying carer(s) or spectator(s) agree to observe and act in accordance with all DAAB policies published on the DAAB website and, in particular, the standards specified in the DAAB Code of Conduct.
- Members of the DAAB community agree that DAAB Inc, Manningham YMCA and their staff and volunteers will take all reasonable care in the conduct of DAAB's activities.
- Each Member of the DAAB community will not hold DAAB Inc or Manningham YMCA responsible for any damage, loss of property and/or accident.
- Unless they answer in the negative when registering on the PlayHQ system, each member of the DAAB community consents to the use of their likeness or image by DAAB for promotional purposes. This may include publication of photos or videos on the DAAB website or on social media or other means the DAAB committee considers appropriate.

The information DAAB collects is for the purpose of facilitating participation in the DAAB's activities and is collected in accordance with DAAB's privacy policy.
